### KENTARO MIURA

#### ISIDRO

Son rêve est de devenir le plus puissant des guerriers. Même si sa force ne suit pas encore, ce qui le met sans cesse en danger, il s'accroche afin de pouvoir réaliser ce rêve. Il vient de recevoir une arme lui assurant la protection de l'esprit élémentaire du feu.

### PRÉSENTATION DES PERSONNAGES

#### GUTS

Le héros de l'histoire. Il est le guerrier noir qui demeure sur le seuil, motivé par la volonté de défendre Casca et de défier Griffith. Il se bat avec une violence inouïe.

#### CASCA

Ancien officier de la troupe du Faucon, qui a perdu l'esprit après les événements traumatisants du sabbat.

Elle ne peut désormais presque plus parler ni exprimer ses sentiments. Un sortilège protecteur de Flora empêche sa marque d'attirer les démons.

#### PUCK

Un elfe qui voyage depuis longtemps avec Guts. Sa poudre a un pouvoir de guérison sur les blessures. Il a découvert récemment qu'il faisait partie de la famille des esprits élémentaires du vent. Il est aussi "Puck la châtaigne".

#### SCHIERKE

Disciple de Flora, la sorcière de l'arbre aux esprits. Elle aide Guts et ses compagnons grâce aux nombreux sortilèges qu'elle jette. Il est même arrivé qu'elle les sauve au prix de grands dangers, en employant des sorts qu'elle ne maîtrisait pas. Elle a un côté bonne élève.

#### **GRIFFITH**

Durant le sabbat déclenché par la béhérit pourpre, il est devenu l'un des God Hand, Femto. Mais le sabbat provoqué par l'apôtre en forme d'œuf lui a permis de reprendre forme humaine et de rejoindre le monde physique. C'est désormais un surhomme que personne en ce monde ne peut égaler; et le chef de la nouvelle troupe du Faucon.

#### FARNÈSE

Ancien chef de la troupe des chaînes d'acier sacrées, milice de la papauté, et héritière de l'influente famille Vandimion.

Elle veut apprendre de Guts à s'accepter et survivre par elle-même, ainsi que la vérité sur le monde.

#### SERPICO

Demi-frère de Farnèse, bien que celle-ci ignore leur lien de parenté. Déjà doué pour le combat, il a de plus reçu la protection et les armes de l'esprit élémentaire du vent.

#### RODERICK

Troisième dans l'ordre de la succession au trône et amiral de la marine d'Eath, un royaume-archipel en relation avec la papauté. C'est un ami du frère de Farnèse. Il emmène Guts et son groupe à Elf Helm, sur son navire de guerre.

Un apôtre, empereur des Kushans. En voulant surpasser les God Hand, il a tenté une seconde transcendance, mais est réapparu sous la forme d'une gigantesque bête démoniaque.
